Date: 2-09-2023

Time: 2:30

Venue: Seminar Hall

This is to inform all concerned that a meeting of the Internal Quality Assurance Cell (IQAC) was held on 2-09-2023, chaired by Dr. Manjit Kaur (Officiating Principal) to discuss the recommendation of new Postgraduate (PG) courses.

Agenda:

- Discussion on the introduction of new PG courses
- Review of current academic trends and student demand for PG courses
- Action Plan for finalizing the new courses - Cyber law and personnel management

Points Discussed:

- The proposal for introducing new PG courses was discussed. The administration expressed the need to align the new programs with the current academic trends and the demand for specialized education in various fields.
- Members discussed the potential courses based on current student demand, industry trends, and academic interests. The importance of updating the curriculum to meet the evolving needs of students was emphasized.
- The administration presented a feasibility study for the new courses. Discussions were held on resources required, including faculty, infrastructure, and budget.

Action Taken:

- The college administration has been tasked with drafting a proposal for the new PG courses, taking into account feedback, feasibility, and resources required.
- A committee has been formed to oversee the development of the proposed courses and to ensure they meet academic standards and industry relevance.
- The IQAC will schedule another meeting in the coming weeks to review the finalized proposals and approve the introduction of the new PG courses.
