Quality enhancement is a continuous process and must be sustained steadily. On the guidelines of NAAC, IQAC is a part of our institution working towards the realization of quality improvement and continuity. A committee comprising Principal and faculty members of different departments has been constituted in order to promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.

MINUTES OF THE MEETING 2017-18

In this meeting, committee members re-discussed the targets laid down in the previous meeting and discussed how these targets will be achieved.

TARGETS FOR 2017-18

- In order to improve the academic quality of the institution, practical aspect of teaching has been emphasized. For this purpose, recommendations given by the chairman of IQAC viz. outside collaboration, industrial visit and social visits and enhancing the participation in various academic competitions.

- It was recommended that a career counselling cell will be opened in our institution in order to make the students aware about career opportunities in their respective fields.
- For overall development of students, co-curricular activities are very necessary. To achieve this target, 'Talent Hunt' competition will be organised.
- It has been made sure by the chairperson that all the departments - Language department, Social Sciences Department, Commerce Department, Physiotherapy department, Fashion designing department and cosmetology department will give their recommendations to improve the department and students.
- It has been recommended that learner-centric environment will be created for participatory teaching and learning process.
- Academic Audit will be made compulsory to improve the quality of education to students which will be done by the faculty. This will lead to the documentation process to be a success.

• Benefits.

Chairperson indicated the various benefits of IOAC as to enhance the quality of institutional functioning, create quality culture, co-ordination of various activities of institution, to bring dynamism in system and to build an organized methodology of documentation and internal communication.

- Dates were also decided for few major activities like 'Talent Hunt', 'Teej Celebration' and Physiotherapy Camps.

The meeting ended with the vote of thanks to the chair.

In this meeting, committee members rediscussed the targets laid down in the previous meeting and discussed how these targets will be achieved. In this meeting we discussed about the student progression and teacher progression process. For that IQAC Committee decided the various plans of action in this regard. For the student progression the efforts made, to get better results and merit positions by tutorials, efforts to increase the strength in the college, to get new courses from GNDU as per requirements. Keeping in mind the transportation difficulties new buses will start to new routes. All required hosts are available for the student. For better facility students will be guided for many more things. For teacher progression the committee has discussed the mode of improving the Faculty and non teaching staff by P.D. internally. Meeting ended with the vote of thanks to the chair.
